The screenshot shows the homepage of the Manuscript Peer-Review Process (MPRP) website. The header includes the logo 'Manuscript Peer-Review Process' and contact information: 'Email: support, editoroffice@ipinnovative.com' and 'Support: +91-11-8336414, 8336415 | 9950436448 | 88'. A navigation menu contains links for 'About MRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area features a section titled 'Manuscript Peer-Review Process' with a detailed description of the web-based portal's services, including 24/7 access, editorial services, and workflow management. An illustration depicts a person at a desk with a laptop, surrounded by icons representing various journal-related activities. Below this, a section titled 'Why MRP?' explains that MRP manages authors, reviewers, and editors' details and integrates with social and professional networks. It is noted as an in-house product of IP Innovative Publication Pvt. Ltd. and is currently running with around 50+ Journals. A small note at the bottom states: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?
